

**Das geniale Pfostenfundament zum Einschlagen!  
Kein Beton erforderlich!**

Der patentierte Wurzelpfahl  
**FERRADIX®**

The image is a composite advertisement for the Ferradix post. It features three main visual elements: 1) A signpost in a grassy field with directional signs for 'Schwarzenbg. Platte 1/2 Stk.', 'Lecknertal See 1 Stk.', 'Hintenau 2 1/2 Stk.', and 'Falkenhaus Hornmoos (D) 10 Min. 40 Min.'. 2) A worker in a bright orange safety suit and cap using a yellow and black Ferradix tool to drive a post into the ground. 3) A close-up view of the Ferradix post, which is a long, tapered metal rod with a flared, root-like base. The text 'Das geniale Pfostenfundament zum Einschlagen! Kein Beton erforderlich!' is at the top left, and 'Der patentierte Wurzelpfahl FERRADIX®' is at the top right. At the bottom, the company name and contact information are provided.
